

# God is love

Presbyterian Support  
Northern

*Let your light shine  
in your church, family, neighbourhood, community, workplace*

**He Mea Nui Koe    Whakamanamana, Ko Wai Koe    Etu Whānau**  
**You Matter    You are not Alone    Don't Give Up**

PSN encourages all congregations to advocate for White Ribbon Day, a day when people wear a white ribbon to show that they do not condone violence towards women.

**Tear off a tab – pray, share the message that violence is not OK!**

Love is Kind – Kind words, Kind tone	Love is Kind – Kind face, Kind heart, Kind hands	Love makes Space	Love Listens	Love makes Safe	Shame and Blame don't lead to Change	Encourage the Good and it will Grow	If you want to change their behaviour, change yours	We all need Kindness
